

Please note:

Any Dux TEFL course certificates are 100% accredited indefinitely and have **no expiry date**. The Dux TEFL/TESOL course that you do is and always will be accredited.

The following certificates of accreditation showcases that Dux TEFL is legitimate in offering these accredited courses. The April 2023 date shown on the certificate below indicates the date when TEFL/TESOL course provider companies (like us) are required to renew our accreditation for the next batch of TEFL/TESOL courses sold between April 2023 and April 2024. This process of annual accreditation updates is in place to ensure we maintain our modern and high-quality educational courses and is a requirement for every single TEFL/TESOL course provider that offers an accredited course.

Once again, any courses bought and completed by our students are and always will be accredited.

Have more questions or would like more information on accreditation?
